SREA创建 --- 基本信息填写

SREA Creation --- Basic Information

2. 线上SREA参照线下SREA模板，有以下内容填写有区别，请注意。
The online SREA refers to the previous offline SREA template, and the following contents are filled in differently, please note:
供应商可以选择三种变更类型 THREE SREA Change Types can be changed :

- 1) 供应商生产地变更
Supplier Location Change
- 2) 供应商生产过程变更
Supplier Production MFG Process Change
- 3) 产品或者工程规范变更
Supplier Product Design or Engineering Spec. Change

一个SREA只能选择一种变更类型
Only ONE change type can be selected

HB241|Create SREA

Fields in red italics are required

Change Type

- ☒ Supplier location change (Permanent Change)
- ☐ Supplier production mfg process change
- ☐ Supplier product design or engineering spec. change

Business Case

- ☐ Change of Tier 1 or CJLR directed sub-supplier site
- ☐ Change of ship point site
- ☐ Other

8. Supplier Production MFG Location Change 供应商生产场地变更

- 如果变更后的新工厂已经有代码，可以选择系统中已有的代码，系统会带出该新工厂的信息，供应商还能再修改；

If the new factory already has the code, supplier can select the existing code in the system. The system will bring the information of the new factory, and the supplier can modify it again.

- 如果没有新工厂代码，可以保持空白，CJLR 采购员会申请新工厂代码。

If the new factory code is not available, it can be left blank and the CJLR buyer will apply for the new factory code.

Comments

Important information: A supporting implementation timing plan must be attached to this SREA request. All items listed above must be reviewed when developing the change implementation plan. Items marked ** are to be completed, reviewed and updated prior to the SREA submission to ensure robust change implementation in support of the date proposed. Incomplete forms will result in delays or SREA rejection. I affirm that the above and any attached information fully describe the proposed change. No changes will be implemented without CJLR approval.

SREA创建 --- 附件上传

SREA Creation --- Attachments

- 未提交前供应商可以上传和删除附件， The supplier can upload and delete attachments before submission,
- SREA提交后，供应商还可以补上传附件。 and the supplier can also update the attachments after SREA submission.
- 附件不限格式，建议单次上传不超过10M(具体视网络速度)，文件大可以分多次上传。
The attachment is not limited to format. It is recommended that the file can be uploaded no more than 10M per time (depending on the network speed). The file can be uploaded in multiple times.

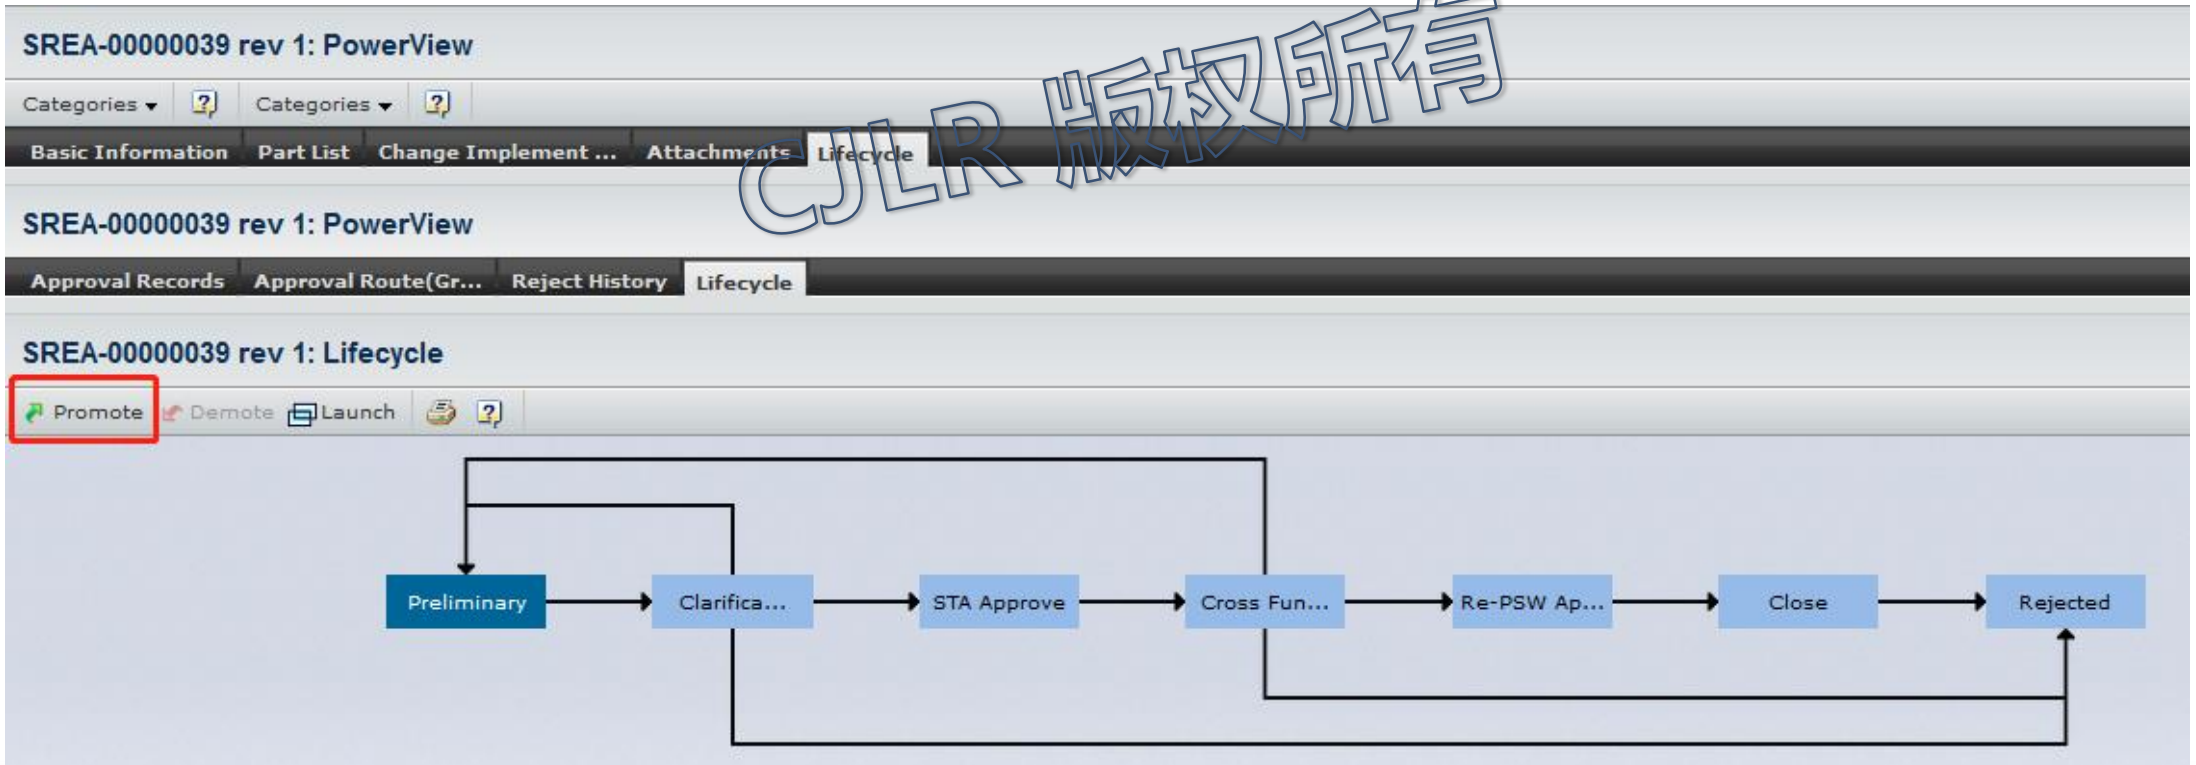

SREA 提交--- 流转状态

SREA Submission --- Lifecycle

提交SREA，其对应CJLR第一接口人为Site STA。被退回或被拒绝后，会收到邮件通知。退回代表需要修改，修改完后可以重新提交；拒绝代表不同意SREA，供应商不能再修改和提交。

Site STA is the first interface of SREA. You will be notified by mail if you are rejected or rejected. The returning representative needs to be modified, which can be re-submitted after modification; The refusal representative disagrees with SREA and the supplier can no longer amend and submit.

SREA 提交--- 流转状态

SREA Submission --- Lifecycle

在流转状态中，可以查看审批记录，审批流，被拒绝历史等
In lifecycle, can View approval record, approval flow, rejected history, etc
